THE PROJECT

Appia Happy Kids

A riding centre on the Appia Antica for children facing rehabilitation after a stay in hospital.

Promoted by Dream Riders · Supported by the event "Cavalli e Cavalieri nei Parchi dell'Appia Antica", 4–7 March 2027

INTRODUCTION

A riding centre for a fresh start

The Appia Happy Kids project aims to create, on the Appia Antica, an integrated riding centre equipped to welcome children during their rehabilitation, after their stay in hospital.

AIM

Caring for an animal as large as it is sensitive creates a stimulus that gives vulnerable people

> *greater openness towards the world around them.*

"Riding on Empathy" (A cavallo dell'Empatia)

Dream Riders, a social promotion association of qualified FISE instructors, doctors, equestrian professionals and Rotarians, will welcome the children to the riding school **free of charge** and will carry out the "Riding on Empathy" programme, created by Marco Santucci, FISE federal instructor.
